

Hello Mr. Musk,

I am writing in response to the UX Design Engineering position which I believe may report to you.

I can offer you experience fast-paced, deadline-driven environments. I have excellent creative art, multi-tasking, administrative, client relationship, social media managing skills and a great eye for detail, all of which should make me an ideal candidate for this opening.

I have attached my résumé for your review and would welcome the chance to speak with you sometime.

Looking forward to meeting you!

Best,

Nishi Haider
